
OR 2011
Zurich, Switzerland, August 30 to September 2, 2011
First Announcement / Call for Papers

This international conference on operations research will take place in Zurich, Switzerland.

The conference of the three German speaking OR societies GOR, ÖGOR and SVOR is under the patronage of the Swiss OR Society (SVOR) and hosts at the same time the respective annual meetings of the three OR societies.

The main goal of the conference is to bring together members of the international OR community to discuss scientific progresses in various subfields of OR in a truly interdisciplinary spirit.

For further information, please visit the website: www.or2011.ch
